Welcome

We are very pleased to introduce you to Rose, who is our interim nurse at Greenmead until Christmas. She is Band 6 Paediatric Nurse with lots of clinical experience supporting children with complex health needs in hospitals and in the community. Rose has been with us all week and has started to get to know the children and staff. She has been working closely with Nicky to do a nursing handover. Rose can be contacted via the school office.

“Hello everyone, my name is Rose. I am the new school nurse, filling in till the Christmas break. All the children and staff have been so welcoming and supportive! I look forward to getting to know everyone in my short time here. Thank you all for the warm reception. Please feel free to contact me at any time with any questions.”

Safeguarding Notice

Ronald Ross and Greenmead Schools take safeguarding our children very seriously and would like to ask for your help please; when you arrive at the pedestrian gate please make sure the gate is closed firmly behind you. If someone follows in behind you please feel free to ask which school they are here to see before letting them in. If for any reason you do not feel comfortable to allow them in, politely ask them to ring the buzzer on the front panel so that the school admin teams can ascertain their identity before allowing them onto the premises.

Thank you for helping us to keep your children safe at all times.

Pool Hire

Do you want to swim with your child after school?

We currently have vacancies for parent and child swimming straight after school, at a cost of £10 a session.

If you would like to swim with your child at school from 3:30 – 4:30 please contact Sara in the office to arrange this.

The pool has a capacity of 4 parents and 4 children at any one time, so maybe you would like to come with another family from school.

This won't make it any cheaper, but it might make it more fun!!
