“Hello parents, please could all parents of students who receive liquid medication at school pick up the purple bottle adaptors / purple bungs on your next visit to the pharmacy. They make giving medications at school much easier, tidier and less wasteful. Thank you, Rose”

Newsletter Email

We sent home a memo last week to inform you that an error had occurred in our computer system which meant that an email with the newsletter attached had included the email addresses of everyone. Firstly, we again apologise for this and wanted to let you know that we have raised this with the Wandsworth IT department who have reported that this is an error that has occurred in many Wandsworth schools and is a Microsoft system error which they are trying to rectify. Until further notice the newsletter will only be available on the school website.

GETTING OUT AND ABOUT IN 2019

What are Wandsworth doing to help young people with SEND?

This forum is for parents of young people with SEND; professionals; policy makers and young people themselves. The key questions to be addressed are:

- What helps young people to make the most of what is on offer
- What hinders them
- What or who might make a difference in 2019

Where: The forum will be held in Wandsworth's Council Chamber from **10-12.30 on Monday 3rd December.**

Who: It is aimed primarily at professionals, parents and carers of young people with SEND, together with some young people themselves.

What: From it, we hope to develop fresh thinking about how to help young people with SEND to stay safe while getting out and about around Wandsworth in 2019 and beyond.

Attendees need to book a free place on Eventbrite: <https://getoutmore2019.eventbrite.co.uk>
