Save the Children

Christmas Jumper Day

Friday 13th December

Care and Health Survey

Our theme for our survey to parents/carers this half term is around care and health in school. You will receive this in your child’s bag on Monday. As always, we are keen to have your feedback.

Saying farewell

We are sad to announce that Sue (School Business Manager) and Julia (Music Therapist) will be leaving Greenmead at the end of this term.

Julia has worked at Greenmead since 2011 and has provided the children and families with support through music therapy, where she enables the children to express their worries and concerns. She has also helped us out with music for Christmas play plays and school performances. Julia is going on to be a music therapist in a hospital setting where she will be fabulous. We have recruited a new music therapist named Pamela who will be starting in January.

Sue has worked at Greenmead since 2003 and ensures that our finances and business systems are always well managed. Sue has also done lots of work supporting the school governing body and FOG, she has always been willing to go that extra mile to make sure Greenmead pupils and families get the most out of school activities and events. She has also been pivotal in securing funding for our after school club and holiday play schemes; without Sue's work Greenmead families would not have the opportunity for these respite provisions. For the staff at Greenmead Sue is always on hand to offer support and wise words. She will be greatly missed and we all wish her well in her retirement. We will have also recruited to this post and have a new business manager, Jacqueline, starting with us the week beginning 9th December to ensure a smooth handover.

The ECC in partnership with Contact Wandsworth

presents a Theatre Bugs Christmas Show

The Sparkling Christmas Star!

admin@greenmead.wandsworth.sch.uk for more details

School Nurse

We continue to work with the LA and the CCG on a permanent solution to having nursing provision at Greenmead School. In the interim we continue to have Rose working with us and the CCG have now also agreed to an additional nurse. Miriam has joined Rose to provide our school nursing service.
