Raising Money for the Royal Hospital for Neuro-disability

Why not get outdoors during the Easter break and take part in a family sponsored walk or run to raise money for a like-minded charity.

The Royal Hospital for Neuro-disability supports adults with brain injuries, is one of Greenmead's neighbours and has supported us in the past by attending our Summer Fair and have made provision for the hospital site to be our contingency plan should there be an emergency situation and the need to evacuate urgently from our school site.

If you are taking part please can you let us know so that we can arrange a meet up on the common and perhaps walk together – being socially safe of course!

Spring/Summer IEPs and Spring Reports

You'll be receiving your child's Spring/Summer IEPs and their Spring reports in their home school bag. You can catch up share any questions about these with your child's class teacher at the Parent/Teacher evenings coming up. The pupils have done so well this term, some who have had to be in and out of school due to Covid. Our Recovery Curriculum, in place since September, has had a positive impact on pupil learning, engagement and social and emotional well-being. Thank you parents and the school team for supporting each other and the pupils to 'make every achievement count'.
