

## Achievements this week ...

<b>Clarisse</b>	Engaging in all shared attention sessions consistently; demonstrating her enjoyment, through smiling and using her eye gaze to track objects
<b>Aisha</b>	Being motivated and persistent at being able to crawl outside the classroom to the outdoor area
<b>Joe</b>	Fantastic communication and hard work all week
<b>Oliver W</b>	Wonderful diagram of a plant
<b>Tristan</b>	Eating chocolate and mashed pears in class

Staff shout out to Chloe from a parent for helping to keep a situation calm and supporting their child to get into school safely

Shout out to Sandra for her wonderful work with Oliver programing the beebots!

### Try a new strategy

Story Cubes can be a fun way to work on language skills, including higher level language.

Roll the dice and make a story about the options that you rolled.

- think about sequencing, using the concepts "first, next, then, after, before"
- Use descriptive words to describe characters or locations.
- Can you make predict a problem that might happen in the story? What did the characters do to solve it?

## Colour Explosion learning this week

Today in assembly's thinking time we talked about plants; how to grow and look after plants. Why not go on a scavenger hunt this weekend either in the garden or a local park and see how many different coloured flowers there are. Maybe take photos of your favourite flowers and bring these into school on Monday. Or wear your favourite floral clothes next week.
