

Home Learning

In the event of a class closing, Home Learning materials will be emailed to you from our new homelearning@greenmead.wandsworth.sch.uk mailbox.

You will receive the class curriculum map for the half term in an initial email. Later that day you may receive a second email regarding on-going Homelearning if the class is potentially to continue to be closed. Please respond to this email with your choice from our Home Learning Offer.

On day 2 of a class closure a 'Home Learning Grid' will be provided as part of our universal offer. This will consist of activities for you to choose from linked to our half termly topic 'Age of Empires'.

Please choose one or two activities a day to focus on and we would love to hear or see photos of how your child is getting on at home.

Physical Development

This term we are learning about gymnastics and we will even get to try using the trampoline in rebound therapy sessions.

'GoNoodle' provide a wonderful range of dance videos that you can access at home on YouTube.
