We'd love to be able to contribute to this and are going to be holding a Crazy Hair Day in Ethan's honour on **Wednesday 25th May**.

Please donate what you can for the charity and come in with your most fabulous crazy hairstyles. We will be taking photos of our celebration to send to Ethan's family.

Learning Celebration Events for Parents/Carers

Now that Covid is 'behind' us we really want to make the most of having opportunities for parents/carers to come back into school and share in our learning with their children.

Each of the pathways are going to have a Learning Celebration Event for parents/carers next half term. There will be an opportunity for you see what learning has been taking place this half term, meet with other parents from your child's class and a chance to meet informally with staff.

Please see the diary dates section above for the dates for each pathway. Times tbc very shortly by pathway leaders.

Goodbye

We are sorry to say goodbye to Paola this week. Paola has been at Greenmead since we came back from lockdown in June 2020 and has been a great team member looking after our pupils, training and supporting staff and responding to medical emergencies. We wish Paola all the best as she goes off to enjoy travels and extended time with her family.

Learning in Mars Class

Mars class were learning about the rainforest as part of our Africa topic. Together, as a group, the pupils decided what needed to go into the diorama and collected the materials and made it together as a group project. Oliver was especially proud to show off the leaves he had cut out. Their working display is also really coming together and they can't wait to show it off to parents next half term.
