A message from The Headteacher

A huge 'Shout Out' to the Greenmead Community! Thank you to everyone who pulled together and communicated with each other in order for us to remain open as much as we have over the last few weeks. We have navigated teachers strikes, transport strikes and many other challenges...**together**. Thank you to the staff members who have gone above and beyond to support our families and thank you to the families who have been sharing information with us as early as possible to help us ensure we could use our resources to the best of our ability, including letting us know all appointments and other absence information promptly, enabling us to plan ahead. We have even had members of staff walking miles to work or staying more locally to ensure we were as staffed as possible this week! **THANK YOU!**

I will add that I do support the personal decision of those who choose to strike and I understand the challenges of our staff members who have been affected by their own children's schools strike action and class closures. These situations are not easy for anyone.

I am truly proud of our community for coming together in a positive way and doing the best that we can.

I hope everyone has a restful weekend!

Roxanne
