

Newsletter 19th May 2023

A message from The Headteacher

Another busy week in school and it has been lovely to see some more learning taking place outside with this dry and sunny weather!

We are nearing the end of this half terms science themed topic **INVESTIGATORS**. There have been many interesting experiments and investigations happening around school! I hope that you will be able to join us next week at our curriculum sharing event on **Wednesday 24th May at 10am** to hear about it and see some for yourself. What has been growing? What has been changing? What has surprised us? As usual, we will have a coffee morning just before opening up the classes to parents/carers. So please join us earlier from 9.30 if you can.

Thank you to those of you who responded so positively to the changes to the leave request processes, acknowledging the importance of the well-being and safeguarding linked to this. If anyone has any further queries or concerns please do get in touch with me. If you are unsure what I am referring to please see last week's newsletter for some important updates.

Have a good weekend,

Roxanne

Staff shout outs

Shout out to **Precious** (Venus class) who keeps the class running and maintains high standards for pupils no matter what the situation!

Shout out to **Shaneka** for supporting Titan class

Shout out to **Sarah and Flavia** (Speech and Language Therapists) for helping Darcy make such an amazing presentation!

Sign of the week - Different

From the classrooms.....

Pluto Class have been learning about capacity in their maths lessons. They predicted how many cups would fill their container using different forms of AAC. They experimented with a variety of different sizes and more importantly, had lots of fun!
