## Weekly Newsletter

Friday 7th June 2024

### From the Headteacher

Welcome back to our final half term this academic year. I hope you all had a lovely half term break.

Today you will receive your child's IEP evaluations ahead of the upcoming parents meetings (please keep an eye out for further communications on class specific dates) as well as your child's Summer 2 class newsletter. In the key dates of the newsletter you will see that we will be celebrating Pride as a whole school on 24th June. I would like to take this opportunity to remind you of the explanation of LGBT that we will use with the children.

**'People in the LGBT community support everyone's choice to love and have a family with whoever they choose.'**

Any further learning about this subject will be bespoke to the level of understanding of specific pupils and will be communicated with specific parent groups. As always, if you have any questions about this subject, please do not hesitate to speak to your child's class teacher.

I hope to see many of you at tomorrow's FOG Community Picnic. This is a very low key, 'bring your own' event and a fantastic opportunity to meet with other parents. The picnic will run from 12-2.30 so please pop in if you can.

Have a lovely weekend,  
Roxanne
